**APPLICANT'S INTERVIEW SUMMARY**

On April 27, 2011, Examiner Michael Grant contacted Applicant's Representative, Richard A. Machonkin, by telephone to propose amendments that the Examiner indicated would result in allowance. Specifically, the Examiner advised that the method claims should be amended so that they recite steps that are performed "via" machines. Applicant's Representative indicated agreement with the Examiner's proposal by leaving a telephone message for the Examiner on or about May 11, 2011. To implement the Examiner's proposal, Applicant's Representative transmitted to the Examiner, on May 17, 2011, the amendments that have now been entered as an Examiner's Amendment, as set forth on pages 2 through 4 of the Notice of Allowability mailed June 2, 2011.

Respectfully submitted,

Date: June 9, 2011
